## PULSE 2000 ELECTRIC GRILL

Equipped with iGrill smart technology that monitors internal food doneness, and ability to reach high heat to create an authentic BBQ taste, you're guaranteed perfectly grilled food every time. Its dual zone grilling area allows you to simultaneously sear steaks over high heat, while grilling over low heat on the other side of the grate.

### PRODUCT FEATURES

- Porcelain-enameled, cast-iron cooking grates are designed to prevent food from sticking and retain heat perfectly
- Dual Zone Grilling - makes it possible to grill a variety of foods at the same time
- Digital Temperature Display on the front panel allows to accurately read the internal grill temperature
- The integrated app connected iGrill thermometer helps the consumer monitor the temperature of the food
- Grease Management System helps to prevent flare-ups and makes clean up easy
- No hassle with cleaning - just remove cooking grates, bowl liner, and grease tray and throw them in the dishwasher
- Available in Slovenian, Croatian, Greek, Hungarian, Romanian, Ukrainian, Bulgarian, Icelandic market

# WOOD PELLET BARBECUES

## SMOKEFIRE EX4 GBS WOOD FIRED PELLET GRILL

Introducing the new wood fired pellet grill that has been designed to deliver great flavour, whether you are cooking a perfectly seared steak or smoking BBQ ribs low-&-slow. Plus, with Weber Connect you have step-by-step grilling assistant making your favourite dishes possible.

### PRODUCT FEATURES

- 90-315°C temperature range which is perfect for smoking low-&-slow cooking and using the high heat to sear the perfect steak
- The DC powered engine, specially designed to prevent auger jams, is designed to generate both the high heat temperature and a low, constant temperature for smoking
- Built-in smart grilling function powered by Weber Connect, gives you access to a step-by-step assistant that notifies you on everything from when it's time to flip & serve to a food readiness countdown
- Gourmet Barbecue System cooking grates that fits all GBS inserts
- Pellet tank that has a capacity of more than 9kg of Weber wood pellets - perfect for smoking all day
- Porcelain-enamelled finish withstands the harshest of elements and helps prevent rusting, meaning your barbecue will last for years to come
- Exclusive easy-clean system directs ash and grease down into a removable drawer, eliminating the need for a messy grease bucket
